Eureka, MT

<https://www.wildernessclubmontana.com/>

Originally opened in 2006, the Wilderness Club Resort started as a private golf community built around the Sir Nick Faldo-designed course that has since matured into one of the nation's best. Current ownership took over in 2011, transforming the property into a public golf course—and now, Montana's #1 family resort.

Whether you have a low handicap or are an absolute beginner, you will find our beautiful golf course memorable, challenging, and well maintained.

Ponderosa pine-lined fairways, waste bunkers, and deep greenside bunkers frame each hole along with spectacular vistas of nearby mountain ranges, and four tee box positions from 5431 to over 7200 yards allows play for all levels of experience.

#1 rated Golf course in Montana.
