NINE DRAGONS
9 HOLE GOLF CLUB

With inspirations from the Scotland Links and Augusta National Golf Club the Nine Dragons' courses are some of China's finest golf destinations. Nine Dragons is situated on the northern shores of Hangzhou Bay and was designed by the famous USA designer Ron Garl. The course turns natural landscape and a man-made island into a spectacular golf course which includes scenic mountains, deserted valleys, canyon rocks, and surrounding islands. This 9 hole course is host to the Nine Dragons Open annually.
