KIAWAH ISLAND

The 29th Ryder Cup Matches were held September 27–29, 1991, on The Ocean Course at Kiawah Island Golf Resort in Kiawah Island, South Carolina, southwest of Charleston.

Located on the eastern-most end of Kiawah Island, the Ocean Course has more seaside holes than any other course in the Northern Hemisphere – 10 right along the Atlantic with the other 8 running parallel to those.

The United States team won the competition by 14½ to 13½ points, winning back the Cup on the 18th hole of the final match. It was the first win for the U.S. since 1983, after consecutive losses to Europe in 1985 and 1987 and a tie in 1989.

Due to the fierce competition, gamesmanship and general over exuberance of the U.S. Team and their fans, these Ryder Cup Matches became known as the “War on the Shore.”
