## Sahalee Country Club (South - North)

Sammamish, WA

Sahalee was first envisioned in 1965, when two separate groups of golf club members - one from Inglewood Country Club, the other from Broadmoor Golf Club decided concurrently that the greater Seattle area was in need of another championship golf course.

The endeavor began to take shape in the summer of 1966 as the two groups merged to form Par Golf, Inc. The development of a superlative golf course depends upon the acquisition of property ideally suited for its layout. Par Golf, Inc.'s search ended in early 1967 when the land that was to become Sahalee was found on the Sammamish Plateau east of Redmond, WA.
