The Heather

Harbor Springs, Michigan USA
www.boyne.com

Designed by Robert Trent Jones, Sr. in 1966, The Heather was the first BOYNE golf course and it's challenge is absolutely timeless. A championship caliber player will find a sound test for every facet of their game; yet the course is consistently recognized as one of the friendliest for women and senior golfers. Wildlife can be seen everywhere, as you traverse over rolling fairways, natural wetlands, tour white sand bunkers, and blueberry bogs. The Heather continues to receive praise and recognition year after year, and has been ranked as one of the "Top 100 Courses You Can Play " by Golf Magazine, and "50 Best Courses for Women" by Golf for Women.
