The game of golf is pushed to extremes at the aboutGolf Competition Course. Designed to test your skills against friends, the Competition Course offers a variety of holes to push your game to the edge.

Visit the World Long Drive venue and find out who among you is champion off the tee. Push your wedges to the max attempting to clear the flop wall on hole 2 and stick it on the green. Watch out for obstacles in front of hole 3's tee box. Do you have the skill to hit a fairway if aiming straight isn't an option? Take a Closest to Pin challenge to hole 4 and test your accuracy on one of the smallest island greens imaginable.

The aboutGolf Competition course is a technical golfers playground, providing endless amounts of fun and competition between freinds and rivals.
