

Marco Simone Country Club Ryder Cup 2023

Rome, Italy

<https://www.golfmarcosimone.com>

The golf club was named after the castle of Marco Simone. The castle was originally a Roman fortified manor farm. The tower was built approximately in the year 1000 and later, in the Middle Ages, additional buildings were built around it.

In the 1970s Laura Biagiotti, the Italian high fashion designer, and her husband Gianni Cigna both lived in the restored castle. By 1989 the golf course had been designed and built. The architects were Jim Fazio and David Mezzacane. The golf course was the venue of the 1994 and 2021 Italian Open golf championships, which were won by Eduardo Romero and Nicolai Højgaard respectively.
